From Sonshine's Heart,

So often our residents come into the Worthy Women Recovery Home, 'wanting'. "I want.....!!" Very demanding, particularly when the resident first arrives at WWRH. Michelle and Misty hear it more than I do because I work from home often. When I hear, "I want..." it causes me to think, "What do I want?" Well, here are my "WANTS":

- I really want to be free to be in Christ, to trust God always, no matter what happens.
- I want to honor my Stepfather MSG Michael Wood, every day; He loved me deeply.
- I want more time to write cards and make calls to our financial partners.
- I want God to bless us with one million dollars. I would have much more time for the residents.
- I want more time to train Michelle as the Administrative Assistant, and Misty as the House Manager.
- I want more residents who desire to surrender and be obedient to Jesus.
- I want our residents to trust God with ALL of their heart.

I WANT TO PRAISE GOD:

The past three months have been a challenge; a real challenge. Today as I write this, two residents were asked to leave, and four are living in unity.

One resident "has been doing what I want for so long, that adapting to a home environment is difficult." "Sonshine, I have been doing what I want for so long, I don't know anything else. But I know I want to honor God, I just don't know how."

One resident has been bounced from program to program, because of the nightmares she could not get rid of. The trauma she's had to endure have left haunting images. Today, she is "studying about being baptized, and feeling really normal, with very rare thoughts and images haunting me."

One is new, and adapting very well, "I am older and very tired of wasting time."

Misty graduates on August 22, and will stay on as House Manager, and do aftercare recovery at WWRH. She had a cornea transplant two weeks ago and is healing well.

I WANT TO ASK FOR HELP FOR THESE **UNEXPECTED FINANCIAL BURDENS** of WWRH:

The Air Conditioner in our van needed to be replaced, thanks to Harmons it was only **\$1,348.00**

100 Drug Tests = **\$560**. They increased \$180 and shipping is free with 100 purchased.

Laundry Maintenance = **\$500-\$800** depending on time". 3 sets of dryers and washers need attention.

PLEASE PRAY for WWRH, for our residents, for our Volunteers, for our Staff, for our needs, and for me.

Misty, in her promoted position to House Manager, is learning how to budget shop with healthy food choices and a never ending grocery list. Our ladies must keep receipts for everything they spend, list it on an excel spread sheet, and balance their finances. In addition, and thanks to a very generous donor, we are able to buy Dave Ramsey's online course "Foundations in Finances" for each resident.

A domestic violence abuse situation in Dec of 2020 left her blind with a white scar in her left eye. The day I picked her up, I told her I was going to pray for a new eye. She gave her life to Jesus October 17, 2021, and started believing and praying too. On June 8th, 2022, Misty came home from her Cornea eye transplant, greeted with a ton of love.

Once a month, someone seems to send "Have Fun" money. Here we are at Fox Park, eating Culver's Ice Cream, and talking about the Future Plans God may have for each lady, and the Worthy Women Recovery Home.

Thank you again for giving, helping, praying, and sharing our mission. Please call for a tour or questions.
