What do the residents do?

October 2023 Newsletter

From Sunshine's Heart,

I wrote in July, that WWRH is turning down \$24,000 annually in Recovery Works (RW) government funds. I would like to explain why; below are the two reasons why the board voted "No".

#1: As a DMHA Certified Recovery Home receiving RW funds, we must offer **Medically Assisted Treatment - MATS**. This means we would have to allow the drugs, Methadone and Suboxone, to ween women off of drugs. Discrimination was threatened against two homes who refused MATS. WWRH does not take women off the streets who are high or drunk. AND, Our pathway to recovery is Jesus Christ!

#2: If a female decides once she is in WWRH, that she wants to be referred to as he/him, we have to oblige. If a male wants to be a female, and come to WWRH, we have to oblige. Yes to trusting God only!

I am often asked "What do the ladies do all day? Do they have a schedule?" Perhaps many of you wonder too. The following program explanation is not all inclusive, but here are some major parts:

The first five activities between 6:30-8:25 am, take about THREE WEEKS to learn a routine for and to do without lying about exercising or showering. Constant reminders and a lot of back talk for 3 – 4 weeks, equals the need for a LOT of patience. Devotion time is topics residents ask about. During case management residents make phone calls, appointments, obtain State ID's, SS Cards, Insurance Cards, Birth Certificates, former medical records & prescriptions, family member phone numbers, clothing, W-2's, file past due tax returns, contact debt collectors, and even ask for my help dealing with identity fraud.

I teach the bible, MRT Groups, how to cook, how to clean efficiently with various solutions. Our volunteers teach sewing and crafts, bible studies, and come to play games; I am grateful for them and so is the board of directors. Residents use the computer for their logs, finance class, and Microsoft Office Basics.

More about how they can stay free if they agree to the Financial Responsibility:

#1: Residents have to **save every receipt**, list it on an excel sheet, and mark down if it is **a need or a want**. Seeing their spending habits like a checkbook register, wakes them up. They agree to pay any court fees, and to save 80% of what's left. They agree to pay \$100 weekly after six months completion at WWRH.

#2: They must complete a **free UDEMY Online Course**, about 40-50 hours, called Personal Finance 101: Everything You Need to Know.

#3: A Budget – I help them write out a budget on a template provided for them, to figure out how much money they will need to live. They look for rentals; and for jobs online or through WorkOne.

#4: Tithe – They are taught, and encouraged to tithe according to Malachi 3:10 in the bible. When residents complete the above and our 6-Month program, they receive a computer for graduating.

WWRH PRAYER REQUESTS:

1. Residents who want/will honor God's word and each other,
2. Marketing / fundraising help,
3. 20 more monthly financial partners of \$20 or more,
4. \$1,00,000 worth of financial gifts that earn interest for long-term sustainability,
5. A mature, compatible, female Christian Staff, who is discerning, and easily directs others,
6. More Jesus-following Board Members!
7. A resident graduated last week! YEAY! She likes privacy, please pray for her journey.

WWRH RECENT EXPENSES: Freezer repair (\$350), air duct cleaning quoted at \$1,092, due on Oct 11, 2023. **A HUGE THANK YOU to Village Supply and Cade Cooper on 710 Boyd Blvd in La Porte**, for donating the services for our 5 Fire Extinguisher clean outs and refills, a code requirement every 6 years!

November 4th, 2023 WWRH Annual Banquet @ THE SILVER PALACE in La Porte from 6 to 9 pm (cst). www.worthyrecovery.net

Join us to hear the story of Nancy Addie, of Addie Acres. Nancy has a gifted eye for beauty when with her camera. She loves Jesus, is married to a Farmer, and has published a book. Many years ago, she suffered with addiction and being abused. Recently, she lost her only son to an overdose. You wouldn't guess that Nancy hurts, by her writing and pictures that bring joy and hope to so many! Nancy will write her story out, and if she is too nervous to speak, I will read it for her. We've been friends since 2010; we discuss deeper things, our thoughts, words, and behavior, really, how to glorify God!
